

MOBILE MINE ASSEMBLY GROUP UNIT EIGHT

Mobile Mine Assembly Group Unit Eight was previously the Mines Division of U. S. Naval Magazine. The new command comes under the administrative control of Commanding Officer Mobile Mine Assembly Group Charleston SC, the operational control of Commander in Chief U. S. Pacific Fleet and is a tenant command of U. S. Naval Magazine. MOMAG's mission is to maintain a prepositioned war reserve stock of mines through a program of periodic maintenance and to provide mine assembly and final preparation services in support of Pacific mining operations.
