**CHARLESTON REUNION
AUGUST 1994**

Greetings Shipmates and Everyone,

Welcome to our Reunion Book; the pictorial display of our reunion fun and great times we had in Charleston, 1994.

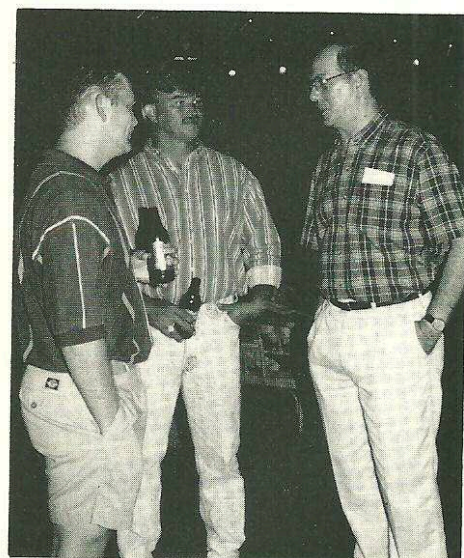

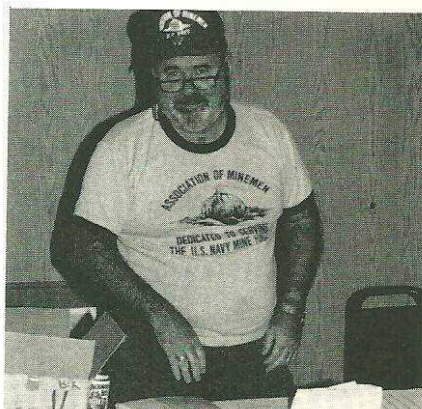

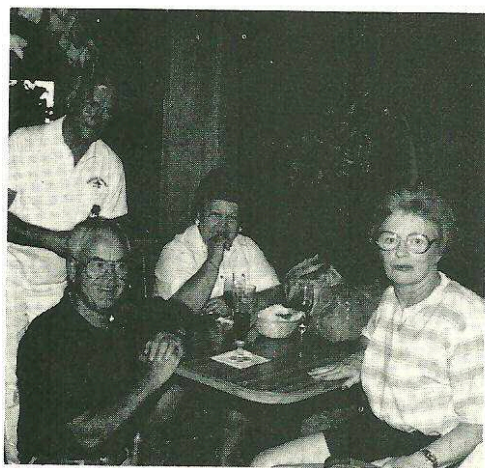

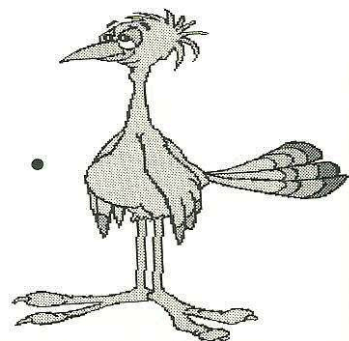

As many of you read in our Dashpot newsletter report on the reunion, we had lots of shipmates and their spouses and family members attend our weekend activities. Many members made their way to Charleston early, so there were lots of separate gatherings and events, as it is with any big family. I like to think of our organization that way - as family - each of us belonging to the other by the ties of profession, experience and dedication. Our reunions are a matter of family recognition and honor, as well as a lot of fun.

I hope that, for those of you who attended our reunion, that you will find that the photos have captured the heart and spirit of all the events: The Early Bird blowout - with over 175 people clamoring for the attention of only two bartenders; the golf outing; the business meeting; our dinner meeting at Squeekies and the "*ol' Minemen*" address by Tom "Windy" Roberts; and our picnic and auction; all complete and replete with sea stories that get better each time they are told???

I congratulate all those who attended. You are the ones who help solidify our organization and make our family lots of fun. I hope to see you all again in Reno in August 1995. Pledge to find a misplaced shipmate, an old friend, and bring them too.

Sincerely,
M. D. "Toby" Horn
